

Tech Tips from Tix

Internet Explorer may experience issues; therefore, a different browser is recommended.

If you are experiencing issues purchasing tickets, we recommend customers do the following to ensure the checkout process runs as smoothly as possible:

- Update your browser to the latest version
- Update your operating system to the latest version
- Make sure you have a stable connection to the internet via wifi or cell data
- Accept Cookies when prompted
- Disable any browser plugins that may block content or prevent content from being loaded
